Laurie –
Thank you. The comments must go out tomorrow (Thursday), so I am hopeful that the appropriate Water folks and, ideally, Carter will be available to meet with you at 10. I have conflicts at both 10 and 2, but I do not think that I need to be involved in the meeting. I eagerly await whatever language you all are able to agree upon.

Since this can't wait for Rich if you'd like to discuss tomorrow I am available at 10am or 2pm.

I won't make any language final until I hear back from Jason and/or Laura. I'd be happy to sit in on any discussion you two set up.
